Long Island Game Farm
Wildlife Park & Children's Zoo

Long Island Game Farm

Wildlife Park & Children's Zoo

Family Owned and Operated since 1970

The #1 zoo on Long Island.

Come see what makes Long Island Game Farm's Wildlife Park and Children's Zoo one of the best destinations for families on Long Island!

An Escape from the Ordinary.

There's tons of stuff for kids to do. Where else on Long Island can your child ride a carousel horse, pet a baby goat and kiss a giraffe all at the same destination? Bottle feed babies or follow the nature trails that lead to the Wild Cougar Habitat, Ring-Tailed Lemur Exhibit, Zebra, Ostrich, Monkeys and much more. You may even witness the miracle of birth in our Nursery!

Be Part of the Fun.

Experience our hands-on Encounter Areas where you can touch and feed animals "nose to nose" in Bambiland, the Nursery and Old MacDonald's Farm. Thrill-seekers can witness the fascinating world of the Alligator at Jurassic Swamp. When it's time for a break kids can enjoy the carousel, mini train and tea cups, some people food with the grown-ups or a visit to the souvenir stand...

Visit our indoor Discovery Center featuring exotic animals and our African Tortoise Exhibit.

New Big Cat Encounter Show!

Meet rescued lions and tigers up close and personal at our new show, The Big Cat Encounter. You'll laugh, be entertained, educated and participate in this rare experience with Clayton Rosaire, the world's youngest lion and tiger trainer, and his family of endangered and exotic big cats. Plus, stop by our new "Big Cat" viewing area and watch them play between our daily shows. Memorial Day weekend through Labor Day weekend.

Pay One Price and enjoy unlimited rides, shows and attractions. Free parking and picnic areas. [Pony rides are additional.]
